

Greenfield International School — School Prospectus 2026-27

Established in 1998, Greenfield International School is a CBSE-affiliated co-educational institution serving Nursery through Grade 10 in Bengaluru. We nurture curious, compassionate learners through inquiry-based teaching and strong values.

Our Mission

To provide holistic education that develops academic excellence, critical thinking, and responsible citizenship in a safe, inclusive environment.

Campus & Facilities

- 8-acre green campus with CCTV surveillance and visitor management
- Smart classrooms with interactive panels (Grades 3–10)
- Science, robotics, and computer laboratories
- Library with 18,000+ volumes and digital reading zone
- Semi-Olympic swimming pool, basketball courts, and indoor sports hall
- School infirmary with qualified nurse on campus (8 AM – 3 PM)
- GPS-enabled air-conditioned transport fleet (35 routes)

Curriculum Overview

Early Years (Nursery – UKG): Play-way methodology, phonics, numeracy, art, and motor skills.

Primary (Grades 1–5): CBSE foundational literacy and numeracy; EVS, languages, ICT basics.

Middle (Grades 6–8): Subject-specialist teaching; introduction to third language from Grade 6.

Senior (Grades 9–10): Board-focused preparation with remedial support and career counselling.

Co-curricular & Student Life

Students participate in house competitions, Model UN, coding club, music, dance, and inter-school sports. Annual events include Science Expo, Literary Fest, and Sports Day.
